About the Quest Program

This will be EBC's 2nd year offering Quest. Quest is a bridge program between being a camper and becoming a volunteer staff member at EBC. As a Quest participant, youth will be able to enjoy the camp environment while still gaining practical leadership experiences that will help them to grow in their faith and character. Although Quest participants are not considered to be EBC Kids Camp volunteer staff members, Quest participants will receive similar training to our staff, as they will be seen as leaders to our campers.

The Goals

The goals of the programs are to:

- train and equip youth to become Christ like leaders at EBC and in their communities
- provide opportunities to experience serving others in a christian environment
- provide opportunities for positive personal growth and character development
